

Digital Literary Annotation Newsletter No. 12 (September 2017)

TEASys – News

From October 9-13, the **DFG Symposium Digital Humanities** will take place at Villa Vigoni. TEASys will be presented in a paper co-authored by Matthias Bauer, Gabriel Viehhauser (Stuttgart) and Angelika Zirker.

We continue to publish select **term papers** that were written in the context of one of the *Annotating Literature* seminars at the University of Tübingen:

Our latest addition is by Bettina Weiner: “Annotating with a Purpose: Theatrical Self – Reflexivity in Sonnet 23, Or How to Stage Silent Love, with Language, in a Sonnet”. [[Link](#)]

The Annotated Web Edition Directory is looking forward to your suggestions. We are always on the look-out for new entries to add to the list. Feel free to recommend literary digital editions that include explanatory annotation (of the social or the editorial kind), web platforms, tools and applications that enable the user to (collaboratively) annotate texts. Please use the corresponding form on our webpage. We thank you for your help.
