Digital Literary Annotation Newsletter No. 63 (December 2021)

TEASys – News

The Annotating Literature team wishes all subscribers a quiet and peaceful advent time, a merry Christmas (or happy holidays) and a Happy New Year 2022! Stay safe and healthy!

The Annotated Web Edition Directory is looking forward to your suggestions. We are always on the look-out for new entries to add to the list. Feel free to recommend literary digital editions that include explanatory annotation (of the social or the editorial kind), web platforms, tools and applications that enable the user to (collaboratively) annotate texts. Please use the corresponding form on our webpage. We thank you for your help.
